

**Mathletics, Times Table Rock Stars (TTRS) & Numbots:**

I just wanted to send a reminder that every child at Fordcombe has the opportunity to use Mathletics and Times Tables Rock Stars to support their mathematics learning at school. For those children in Reception, they can access Numbots (from the same company that provides TTRS), which is focused on addition and subtraction skills.

Mathletics is a targeted and rewarding online learning resource, which is fully aligned to the National Curriculum standards. Your child can easily access Mathletics at home: they simply sign in with their school username and password using any compatible computer or mobile device.

No matter how confident your child feels they are at maths, the extra practice at home (which should complement weekly homework) can really make all the difference to your child's progress. Try to encourage them to achieve a weekly target of around 1000 points and once they have completed their assigned tasks they can access Live Mathletics where you can challenge other users in real-time, testing speed and accuracy of mental calculations.

**Mathletics:**

[www.mathletics.com](http://www.mathletics.com) or download the free Student Mathletics App from all major app stores

**Times Table Rock Stars:**

[www.ttrockstars.com](http://www.ttrockstars.com)

**Numbots:**

[www.numbots.com](http://www.numbots.com)

Please do let me know if you have any questions about this and please do ask your child's class teacher if you need a reminder about any login details.

Many thanks,

Mr Miles

Senior Teacher and Maths Lead
